Public Examination Results 2016

I could not be more proud of our UVI, LVI and UV public examination results. I am particularly delighted with the university entry record for the UVI who have gained an excellent range of places at top universities across the globe. Their results show that they can move on with confidence too (70% of the grades were at A*/A equivalent) and I have no doubt that they will be great assets as undergraduates. The UV have similarly achieved great things. They have an outstanding record of GCSE results with 77% of them gaining 8 A*/As and above and 87% of the grades being at A* and A. All

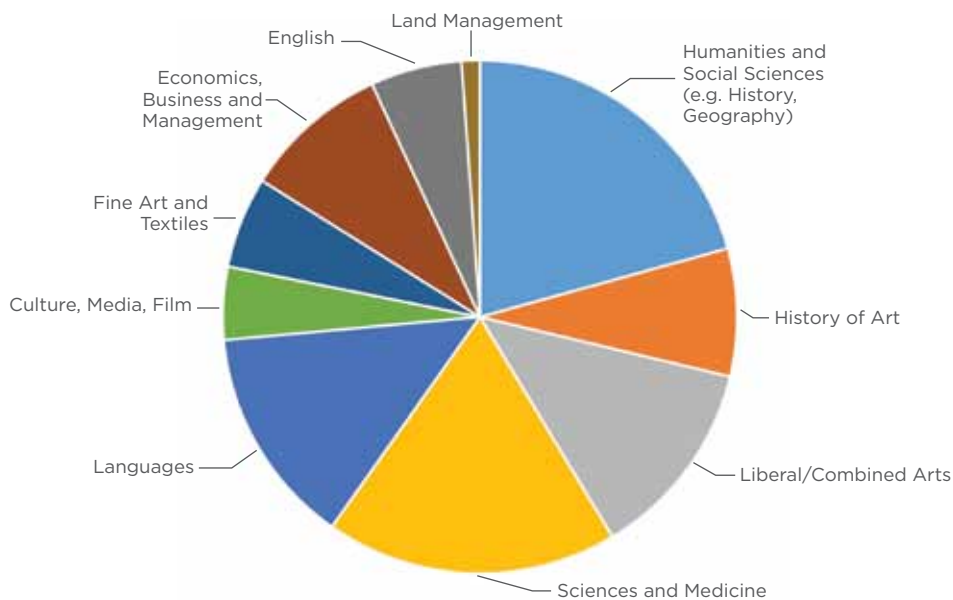

the results are a credit to the girls' hard work and the incredible support of the staff and of course parents.

The range of courses that girls choose remains impressive and it is wonderful to see them embarking on demanding courses both in the UK and overseas.
